Track you St's and enjoy 😊

Plickers

is a way to collect instant multiple-choice responses from your students, without computers or tablets.

Used in face-to-face
classes **only!**

Try e-Learning

But currently the Plickers team is
testing electronic mode which
hasn't started yet.

Tasks to check understanding

Group package and products (bottle, roll, toothpaste, paper towel, jar, fizzy drink, chocolate, carton, tube, packet, crisps, can, bag, shampoo)

Package

Products

Identify a word that relate to ‘internet communication’:

- a) Tube
- b) TV broadcast
- c) Subscribe
- d) Remote control

Tasks to check understanding

Task 1: **Read the passage ‘Kid Nation Reality Show’.**

Ignore the gaps

In the reality show ‘Kid Nation’ 40 young people between the ages of 8 and fifteen lived together in an abandoned town for forty days. A) _
The young people tried to organize their life without adults and cameras followed them everywhere.
The youngsters all received \$5000 for taking part in the reality show. B) ___ The group chose this person.
C) _ Did the young people enjoy the experience? It seems that some participants left before the end of the series because they felt lonely and unhappy.

Task 2: Put in a), b) or c) gap the missing sentence:

What is more, a participant who solved problems and made decisions won a prize of \$20 000.

Before Class: Set up Plickers

1. Sign up then Log in at www.plickers.com

Sign in

Get Started >

2. Choose **New Set** from the top of your homepage.

 New Set

3. Create a Question, enter your answer choices

Click here to edit question

4. Once you have created your content, go back to your homepage to create a new Class.

 New Class

5. Download and print a free set of cards

Class Roster

Print Roster

6. From Help  button print out Plickers cards [Get Plickers Cards](#)

During Class: Use Plickers with your Students

1. On the web, from your Plickers homepage, select the **Class** that will be playing.
2. Use the **Add** button to **Queue** the content you just created.
3. From the toolbar at the top of the page, click the **Now Playing** button.
4. From your mobile app, find **the Class** that will be playing.
5. Click on the content you want to play.
6. Plickers.com will sync your selected content.
7. Have your students hold out their cards and rotate them so that their answer choice (A, B, C, or D) is at the top.
8. From your mobile app, tap the **blue circle** icon to begin scanning student responses.
9. When all your students' names are visible on your mobile app screen, press the **red** button to complete the scan and instantly see your students' responses.
10. Continue scanning for any additional Questions.
11. Press the X in the upper right-hand corner of your mobile app when finished.
